# About Us

At TrioTimber Innovation and Construction Inc, we blend unparalleled craftsmanship with innovative design to deliver premium interior solutions.

Specializing in a range of high-quality products for large-scale projects and comprehensive remodeling and renovation services, we cater to a diverse clientele including general contractors, designers, and architects.

Based in Southern California, our services extend throughout its vibrant cities, while our products are sought after across the mainland United States and Canada.

**Our vision** is to be recognized as the premier provider of interior solutions in North America. We aim to forge lasting relationships with our clients by being a reliable and innovative partner in every project, shaping spaces with creativity and precision.

**Our mission** is to consistently provide superior quality products and services that exceed our customers' expectations. We strive to be the go-to partner for large-scale clients, delivering tailored solutions with professionalism and excellence.

# LARGE-SCALE PROJECT SOLUTIONS

## **Crafting Exceptional Spaces, From Vision to Installation.**

TrioTimber specializes in providing Made-to-Order interior solutions, including interior doors, kitchen cabinets with related countertops, bathroom vanities, wall panels, and custom hotel and hospitality furnishings, serving a discerning clientele across the US and Canada.

For large-scale projects that incorporate our products, **we are delighted to offer professional installation services,** focusing on Southern California yet open to bringing our unparalleled craftsmanship to major projects nationwide, provided they feature our bespoke products.

This ensures a cohesive and superior final product, epitomizing our dedication to excellence.

# INTERIOR DOORS

## CATALOG

**Discover the elegance  
and durability with TrioTimber's

## Kitchen Cabinets

TrioTimber's Kitchen Cabinets are the cornerstone of functionality and style for any large-scale housing or hospitality project. Designed to optimize space and enhance aesthetics, our cabinets offer a blend of innovative storage solutions and contemporary design, tailored to the needs of modern living.

## Bathroom Vanities

Enhance the luxury of your large-scale developments with TrioTimber's Bathroom Vanities. Each piece is crafted to create an aura of sophistication and elegance, combining functionality with high-end design. Ideal for upscale residential or commercial projects, our vanities bring a touch of refinement to any bathroom space.

## Interior Doors

Discover the elegance and durability with TrioTimber's Interior Doors, designed for large-scale projects. Each door blends quality craftsmanship with modern design, ensuring your spaces make an impactful first impression. Perfect for residential complexes or commercial buildings, our doors are crafted to meet the highest standards of style and functionality.

## Wall Panels

Create stunning, modern environments with TrioTimber's Wall Panels, perfect for large-scale commercial or residential projects. Our panels provide a unique aesthetic appeal, adding warmth and texture to any space, while offering the versatility to suit various design themes.

## Hotel & Hospitality Furnishings

TrioTimber's Hotel & Hospitality Furnishings solutions are designed to elevate the guest experience in large-scale hospitality projects. Our range includes stylish, durable furniture and decor items that blend seamlessly into various hospitality settings, ensuring comfort and luxury in every detail.

## Kitchens

**Culinary Dreams Realized:  
Your Kitchen, Our Expertise**

Transform your kitchen into the heart of your home with TrioTimber's expert kitchen remodeling services. Whether you have a project already designed by your own architect or designer, or you need our professional interior designers and architects to guide you through the design process, we are here to accommodate your needs. Specializing in custom, functional, and stylish kitchen spaces, our services are tailored to meet your culinary needs and aesthetic preferences. From contemporary designs to classic elegance, our team ensures a seamless renovation experience, making your kitchen a space where memories are made and shared. Our kitchen renovation services are available for homes located in designated areas in Southern California.

## Bathrooms

**Sanctuary by Design:  
Elevate Your Bathroom Experience**

Elevate your bathroom into a personal sanctuary with TrioTimber. Our bathroom remodeling services are designed to cater to homeowners who have their own designs ready or those seeking professional design consultation. We focus on crafting spaces that blend comfort with luxury, offering both sleek modern makeovers and traditional retreats. With meticulous attention to detail, we create bathrooms that are not just functional but also a haven of relaxation. Our services are primarily available for homes located in designated areas in Southern California.

## Entire Home

**Seamless Living:  
Transforming Houses into Homes**

Redefine your living experience with TrioTimber's entire home renovation and remodeling services. Tailored to homeowners who come with their own designs or those in need of our professional design consultation, we offer comprehensive solutions to transform your entire home. Ensuring each room flows seamlessly into the next, our team collaborates with you to reflect your lifestyle in every space, combining aesthetics, functionality, and innovation. Our services cater to homes in designated areas of Southern California, making your dream home a reality.

## Cafes & Restaurants

### Flavorful Designs, Memorable Spaces: From Concept to Completion

TrioTimber offers a comprehensive cafe and restaurant renovation service, perfect for proprietors in Southern California. Whether you're bringing a finished design or starting from scratch, our expert team is equipped to guide you through the entire process — from initial design and obtaining necessary permits to the final, turnkey delivery. Specializing in creating spaces that amplify your brand and captivate your clientele, we ensure your dining area is not just a place to eat but an experience to remember.

## Retail Stores

### Retail Reinvented: Tailored Designs, Turnkey Solutions

Revitalize your retail environment with TrioTimber's tailored remodeling services, designed for the unique landscape of Southern California's commercial spaces. Our team stands ready to transform your vision into reality or to collaboratively develop a design from the ground up, handling all aspects of the project, including permits and final touches. We focus on creating engaging, efficient shopping experiences that reflect your brand and entice customers.

## Hotel & Hospitality Spaces

### Exceptional Stays Start Here: Comprehensive Design to Delivery

Transform your hotel or hospitality space with TrioTimber, where we cater to clients across Southern California looking for full-service renovations. From initial design concepts and permit acquisition to the final unveiling, our team is adept at creating luxury, comfort, and style that guests will yearn to return to. Whether you're starting with detailed plans or seeking our creative input, we're here to deliver exceptional spaces that elevate the guest experience.

## Office Spaces

### Workspaces Redefined: Custom Designs, Seamless Execution

Elevate your office with TrioTimber's bespoke renovation services, available exclusively for Southern California's business spaces. Whether you have a design in mind or need comprehensive support from conception to completion, our team provides a seamless experience, enhancing productivity, collaboration, and well-being. We tailor workspaces to the evolving needs of your business, ensuring a functional, inspiring environment.
