commercial buildings,
our doors are crafted to meet
the highest standards of style
and functionality.

for more↑

Flush doors boast a smooth, sleek surface with no paneling, offering a minimalist aesthetic. Ideal for contemporary spaces, they provide a clean and uncluttered look.

Innovations & Construction Inc

Silent Symphony:

Experience undisturbed serenity with our doors’ premium seals, ensuring whisper-quiet operation that resonates with tranquility.

Effortless Elegance:

Our doors epitomize simplicity and style, coming equipped with matching jambs, trims, and pre-drilled holes, ensuring installation is as graceful as the product itself.

Transform in a Touch:

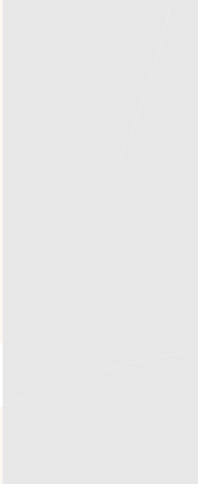

Ready to dazzle, our doors feature pre-drilled precision, simplifying handle installation and transforming your space with a mere touch.

2-Year Warranty:

Invest in confidence and peace of mind.
